

# Blessings Grant

I give myself permission to receive  
new levels of love and abundance in  
all areas of my life.

I grant permission to my angels to  
bring me blessings, opportunities and  
miracles to my life. To bring me love,  
a wife, marriage, family, protection,  
abundance, health, peace, creativity,  
strength, energy, power, wisdom,  
intelligence, wealth, long life,  
affection and admiration from others.

Because this is my father God's will  
So its done.
